It seems all I ever did in my life was making my way here up to you. right now that in my life was here up to you.

I want to share everything with you.

Let's start with your bank account.

Let's talk over a cup of coffee.

You're like my cup of coffee. I need you daily.

A morning without coffee is like sleep.

Given enough coffee, I could rule the world!

Why did you leave your last job?

The company relocated and didn't tell me where.

Something special is brewing between us.

If you bring me coffee without having to ask, then I love you.

"EVERYONE SHOULD HAVE A BLACK BLAZER"
-Domenico Dolce

THE RIGHT HAIRCUT
The sides need to be cut square, with about an inch in length at the sides and slightly longer on top. Ask your hairdresser to texturize the top for a natural look.

WAYS TO WRAP A MUFLER

- THE NOVICE:** A long piece of fabric, from neck and back, have each end go under the loop. A quick wrap that warms the neck and the shoulders.
- THE WHIPLASH:** Classic. Hold one end and go the left, make a loop with the lower end on the right and the ends ends hang at the front.
- THE LOOPHOLE:** Just wrap the whole muffer around your neck and back the front ends under each. This creates a channel to tuck the neck in.

THE BOW TIE
A bow tie compliments a suit or a tux with aplomb, taking it to the realm of timeless.

Wear your OXFORDS WITH
Checked trousers, faded denims and pair with a jacket and scarf.
